Why should I read? Here's what the authors say!

Anne Booth, a children's author who wrote 'Girl with a White Dog' said the following when asked the question "Why should you read?".

Reading is fun - it can be relaxing, comforting, exciting,
informative - it can help you understand yourself and
others more, and inspire you!

Mr Warwick Keyboard Lessons

Mr Warwick is wondering if there are any children (Y2 onwards) at Cardinham School who would like one to one keyboard lessons. At the moment, he has not informed the school about price, he is just looking to see how much interest there would be. Seven children have already expressed an interest but there is space for many more. Please see Mr Jones if you are interested.

Judo club started yesterday after school between 3:20pm and 4:20pm and was a greatly enjoyed by all children who attended. There is still plenty of space available. Should anybody want to join, please see Mrs Grant.
