We are moving to a paperless newsletter after half term. In order to fit in with GDPR regulations, parents need to email the school if they would like to opt into our weekly newsletter. Please do this by emailing the school office on secretary@cardinham.cornwall.sch.uk with the subject 'Newsletter'.

Thank you!

We hope the children had a great day thinking and talking about strategies that we can all use to help us be happier. We're sure you've seen the adverts but see below at a very important initiative created by ITV.

Please Read...

Carol Randall (a resident in Bodmin) has recognised that there are many people who would like to come into town and visit shops and activities but can't because of the absence of accessible and affordable transport.

There are also groups, like Age Concern Bodmin, who would organise more activities if transport was available. Carol, along with Barry Cornelius & Andy Lyle, have been chatting with a number of people about how we might be able to make this happen. A very generous offer of help from Andy Lyle has given us an opportunity to run a Community Bus in Bodmin for a trial period of six months. When the trial period is completed satisfactorily and demand is proven to be sufficient to sustain costs, we can review the best way forward. First we have to assess whether there is sufficient demand to sustain a bus. If you, or your organisation, would be interested to use the bus in the trial period, please request a questionnaire from carol.randall2013@gmail.com and return to the same email address or contact Carol on 07921279930. Contact Carol if you are interested in becoming a volunteer driver/sponsor or just to support this initiative.
