Weekly Reading VIPERS Challenge

This week, we are Predicting.

What do you think will happen next?

Come to Mr Jones' reading assembly prepared.

No Dogs on School Field

Another polite notice to our local community: please ensure that you do not walk your dogs on our school field. We have had to scoop up dog mess on a number of occasions over the last few weeks. Thank you for your understanding.

New Dates

Please notice that we have added a few new dates to the list on the reverse of the newsletter. More information will follow as they approach.

Orchestra Visit

On Monday we enjoyed a visit from IMS Prussia Cove. They performed a range of pieces from different time periods and countries. The pupils were enraptured: one of our four year olds said "It was amazing!" and some children were inspired to begin learning instruments.

Fun half term project!

Choose a clear night between 21 and 28 February 2020 to count stars you can see in the constellation of Orion. The results will help to map a view of the night sky, showing where the deep, dark skies are in the country, and where light pollution is most serious. We have attached a fun booklet to help you with this if you want to join in.
