Loaning Laptops

We have some laptops available for short term loan should parents require additional IT at home. Should you wish to take us up on this offer please contact the school. We have a limited number so it will be first come first serve. Parents will be required to fill out a loan agreement before taking the laptop home for loan.

Birthday Club

Grown Ups of children at Woodside can sign their kids up to join a monthly Birthday Party - at a distance. It is Iris in Hedgehogs birthday in January so her mum Jen wants to throw a distant party and invite children in Woodside to join in the fun! Jen wants to do this each month for any other children within the

Woodside bubble who have birthdays coming up. If you would like more information and to sign up your child to join in the distant birthday parties, click on the link below. The birthday fun will be private for Woodside children and no personal information will be shared.

If grown-ups of children in the big school are interested to do something similar for their children or you would like to share the project with other school groups, here is some more information about Birthday Bubble Club!

Staying Safe Online

We have been made aware that various scams are circulating to try to get personal or financial details (as well as the usual HMRC text scams at this time of year). As a school, **we will not be requesting your bank details** - transactions are cash (if you have no alternative), parent pay (preferred) or bank transfer arranged by you in rare (Nursery) cases. We do not need your bank details in order to arrange Free School Meals or alternative provisions.

Our e-learning packages are outlined in our communications to you, and include Bug Club, Spelling Shed and TT Rockstars / Numbots. Your child(ren) will have their logins for these (if not, please don't hesitate to ask) and **we do not require you to log in using your own email address and email password**. If you are in any doubt about payments or log ins, please don't hesitate to contact us. Please stay e-safe and Covid safe!

The National Marine Aquarium are offering some wonderful free online lessons. To find out more information, please click on the following line:
