## Loaning Laptops

We have some laptops available for short term loan should parents require additional IT at home. Should you wish to take us up on this offer please contact the school. We have a limited number so it will be first come first serve. Parents will be required to fill out a loan agreement before taking the laptop home for loan.

## Mid Cornwall Sports Network Active Family Challenge

See the additional attachment sent with this newsletter to find out more information about the Active Family Challenge. There are 4 PDF documents each providing more information about how to sign up and get involved. The key message is to get active and have fun but, of course, there are GOLD certificates available for those who want to set their sights a little higher.

## Birthday Club

Reminder for Woodside grown ups to sign up to Birthday Bubble Club.

**January's party at a distance will be next Friday 29th Jan!**

When you join the Woodside Birthday Bubble you will receive an email towards the end of each month inviting your children to attend a birthday themed party with their friends, but at a distance, in their own homes. There will be ideas on how to have fun at the distant parties held on the last Friday of each month and there will be a link to a music playlist for all the children to listen to at the same time as their friends. There will also be the option to join a video call so the children can enjoy sharing their birthday themed party fun with their dear friends. The first party is next Friday!

Don't miss out on the fun! Sign up now -

Dear Parents and Carers,

Last year, we teamed up with Bath Children's Literature Festival and book festivals from the UK and abroad to create Reading is Magic Festival, 25 online kids literature events with bestselling authors and illustrators. With schools currently closed and many children learning at home, **the Bath team have extended free access to Reading is Magic Festival** until the end of the current lockdown.

There are **videos and podcasts for primary and secondary school ages** with authors and illustrators including Cressida Cowell, Chris Riddell, Dapo Adeola & Nathan Bryon, Alex Wheatle, Sue Hendra & Paul Linnet, Jasbinder Bilan, Robin Stevens, Jason Reynolds, Anna Wilson and so many more. Themes covered include creativity, protecting the planet and the importance of seeing ourselves reflected in books and the festival is presented by Karim Zeroual.

You can access the films by using the promo code FREEMAGICNC when joining as a member here: <https://www.readingismagicfestival.com/2020> This code will give you free access until the end of the lockdown - the discount will be applied at checkout.

Best wishes
