Tuesday 23rd February 2021

Dear Parents and Carers,

After the Prime Minister's announcements regarding a 'roadmap' back to normality, we are now able to begin planning to have all our pupils back at school.

The announcement yesterday confirmed that pupils will be able to return on the 8th of March. We will spend the next few days planning for that and I intend to share full details in a letter on Monday 1st March.

We are very eager to have all pupils back in lessons and being able to socialise with their friends as soon as possible and we are delighted that there is now a definitive date to work towards.

I am anticipating more detailed information from the Government with regards to our Risk Assessments, testing for pupils at home etc. We are also considering whether there are any changes we can make to the staggered starts and finish times we had last term and how we will continue to organise lunch times and clubs. We will also inform you on our Catch-Up arrangements and how we will prioritise the well-being of our pupils on their return. In the meantime, please do not hesitate to contact us if you have any concerns.

Take care and stay safe!

Kind regards,

Ingrid Bennett
