RE: Music Performance & Other Information

Dear Parents and Carers,

There are a few items to update you on before this Friday's newsletter. Firstly, I have unfortunately tested positive for COVID-19 so it is unlikely that I will be in school this week. In my absence, please direct any questions, queries or matters to Mrs Ashley. I am feeling well and able to work from home so by all means, contact me via email if required.

Carmen by Georges Bizet (Performed by Cardinham School)

On **Monday 4th April**, the **children of Cardinham School** present **Carmen**. There will be two performances at **2pm and 4pm**. Each family are allowed to send **two family members to each performance**. There will be no need to book tickets, names will be checked off upon entry. The performance will take place down on the **school field at Woodside**. We will provide seating, however, you may wish to bring your own comfier camping chairs or equivalent. **The Friends of School will provide refreshments** so please bring your pennies in preparation to support them.

We anticipate, the performances will last between **30 and 40 minutes**. Children will be able to be **taken home after the first performance** and will need to **return to the school field by 3:50pm** in preparation for the second performance. We are holding two performances to make our show more accessible for working parents/carers and to ensure each family can send four family members across the two performances.

Please see below for a suggested list of what children could wear. All suggestions have been kept extremely simple and all items should be found in most households.
