Headteacher's Update

Good afternoon,

I hope you have all had a good week! I have heard from my daily updates with staff that the children have continued to work hard in my absence. I'd also like to take this moment to thank all of the staff for ensuring the school continued to run smoothly throughout the week.

I look forward to seeing you all again on Monday at the Carmen performance. The weather looks like it will get the better of us so we will be forced to hold both of the performances in the Parish Hall. Remember, you can send two people per family per performance. The performances will take place at 2pm and 4pm.

Below you will see some updated Covid guidance - please don't hesitate to get in touch if you have any questions.

Take care and enjoy your weekend.

Mr D Jones
Headteacher

COVID Information and Update

Updated guidance now advises:

- Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice is 3 days

Government comment - 'The population now has much stronger protection against COVID-19 than at any other point in the pandemic. This means we can begin to manage the virus like other respiratory infections, thanks to the success of the vaccination programme and access to antivirals, alongside natural immunity and increased scientific and public understanding about how to manage risk.'

Cardinham Netball Team Update

Cardinham netball team ventured to Newquay Tretherras yesterday to compete in the final of the Cornwall School Games. They came an incredible 3rd place - playing against a range of teams from all over Cornwall that had also got through to the final. I would like to give an individual shout out to every child for all of their efforts!

- Liam for his incredible movement and determination.
- Charlie for his super netball skills across both attack and defence.
- Shea for his super speed in centre and interceptions.
- Melody for her jumps and interceptions.
- Bonnie for her brilliant, on-point shooting.
- Louise for her determination even with a poorly ankle.
- Millie for her reach and effort to grab every ball.
- Jasmine for her skills in reading the game when in centre and being everywhere a centre needed to be.
- Matilda for her speedy sprints.
- Emily for her outstanding defending.
- And last but by no means least, Daniel for his support and coaching skills.

The whole team showed incredible collaboration, determination and sportsmanship and I am so very proud of them all.

Miss Hepworth

Complaints Policy

There has been a new Complaint policy agreed by the Trust Board this week this is now on the school website. We are always happy to receive information from parents that can support us to improve our practice and would like to feel that many issues can be resolved before a formal complaint is necessary, if you have any concerns about practice or procedure please do make contact using the route suggested in the policy.

Parent/Carer Presentations

We look forward to welcoming some parents/carers into school over the coming weeks to provide information about the statutory assessments that will take place during the Summer Term. See below for more information. Let your child's class teacher know if you are unable to make this time.
