Headteacher's Update

Dear Parents and Carers,

I must start by saying a huge well done to our Year 6 children last week as they have completed their Key Stage 2 SATs. They have worked incredibly hard and remained focused all week - they had a well-earned Friday treat. Read on to find out more!

Our school value focus this half term is curiosity. We are reflecting on this value each Friday and highlighting how and when curiosity has been used during the week.

Our Summer Term is now in full swing! We have added some diary dates to the end of this newsletter. Keep a close eye on these over the coming weeks as further dates are added or existing dates amended.

As always, please come and see me at the beginning or end of the school day if you have any questions about any area of your child's school life.

Best wishes,

Mr D Jones
Headteacher

Outdoor Learning Dates

Fox Class and Squirrel Class will be taking part in Outdoor Learning sessions during the Summer Term.

See the dates at the end of the newsletter for when children need to bring in appropriate footwear and clothes. The sessions will either take place on the field or in the woods.

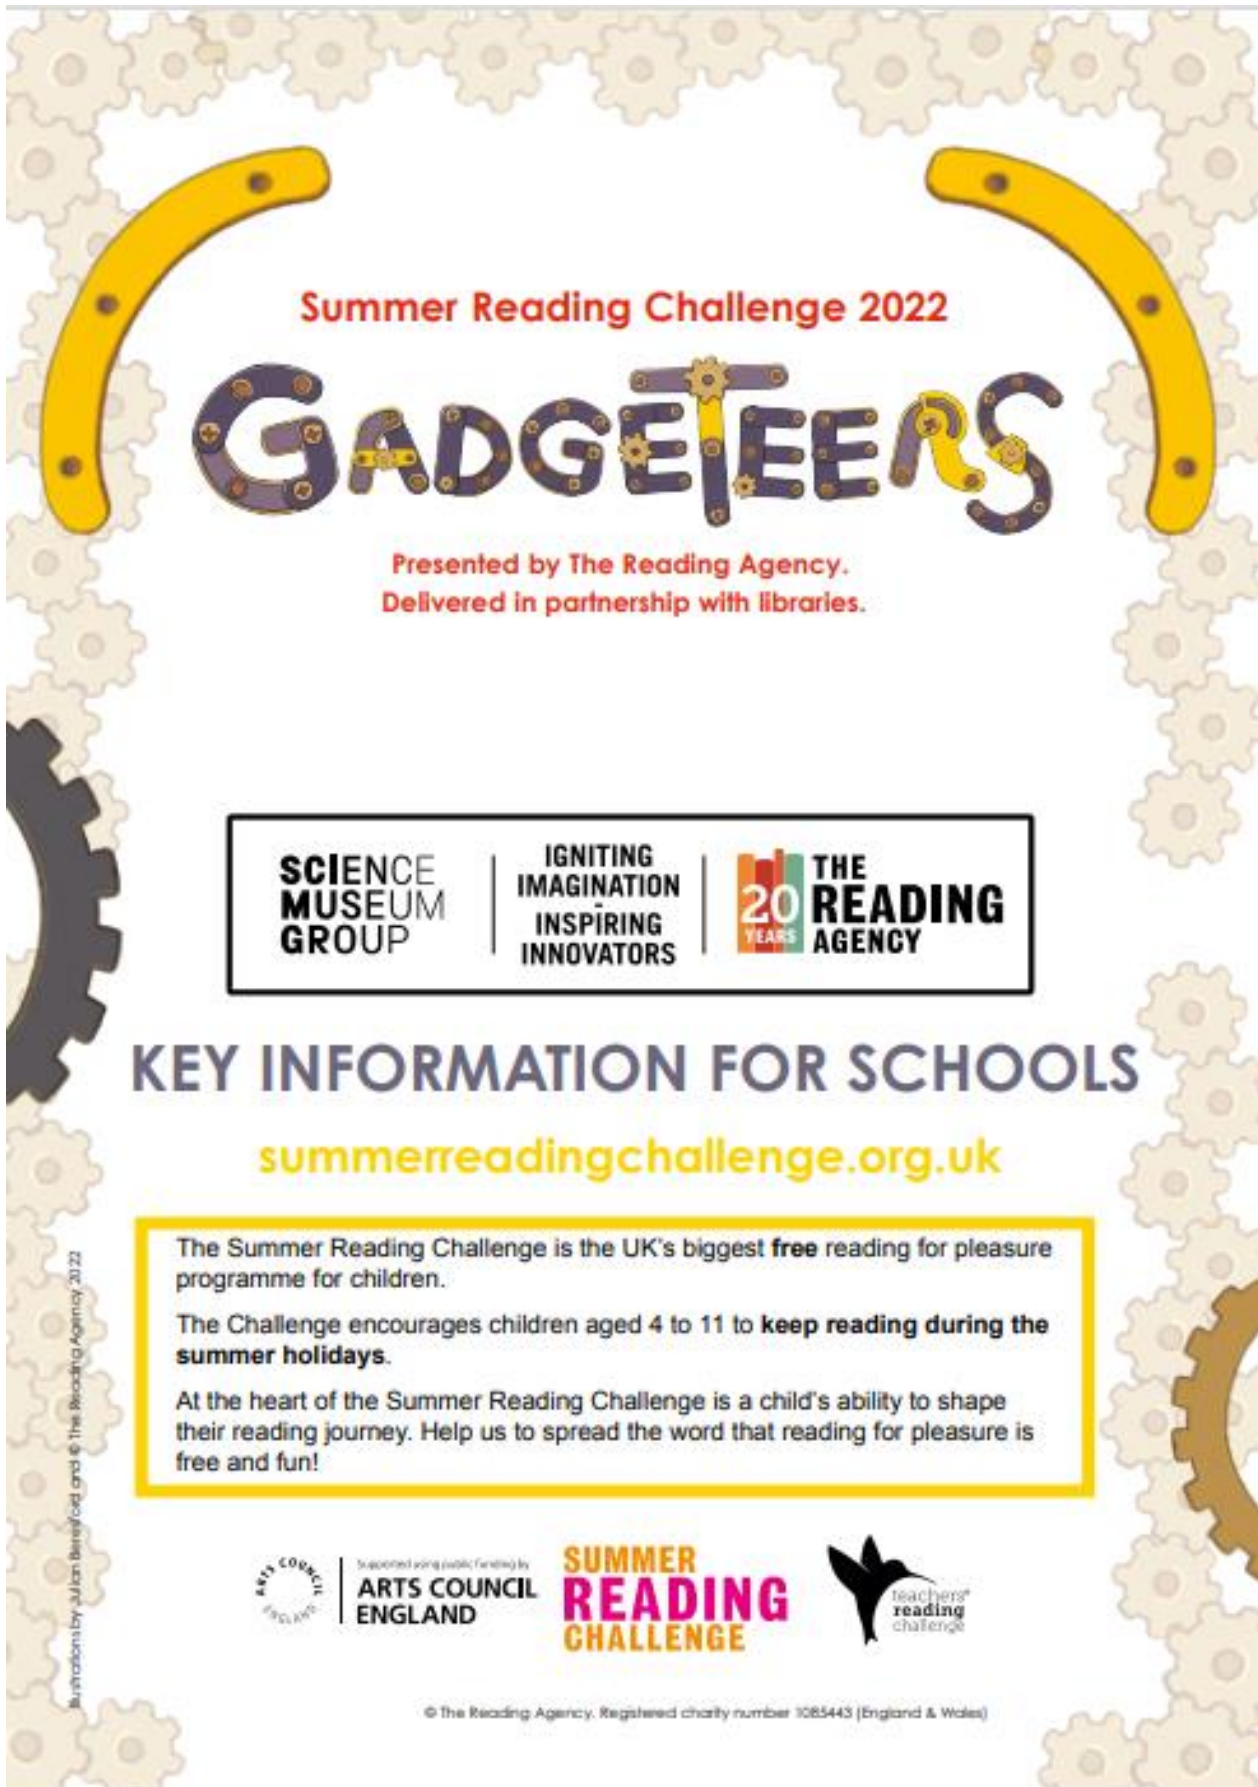

School Field

As you are probably aware, we have locked our school field overnight due to a significant increase in dog mess. Children in Year 4 & 5 wrote and posted letters to the community to spread awareness of the issue. A reminder that it is a private field - the style in the far corner is for the use of school children only. Thank you for your understanding.

The poster features a background of light-colored gears. Two large yellow curved brackets frame the central text. The title 'GADGETEERS' is written in a stylized, blocky font with gear-like details. Below the title, it says 'Presented by The Reading Agency. Delivered in partnership with libraries.' A central box contains logos for Science Museum Group, 'Igniting Imagination Inspiring Innovators', and '20 Years The Reading Agency'. Below this is the heading 'KEY INFORMATION FOR SCHOOLS' and the website 'summerreadingchallenge.org.uk'. A yellow-bordered box contains three paragraphs of text. At the bottom, there are logos for Arts Council England, 'Summer Reading Challenge', and 'teachers' reading challenge'. A small vertical text on the left edge reads 'Illustrations by Julian Berrisford and © The Reading Agency, 2022'. A copyright notice at the bottom center reads '© The Reading Agency. Registered charity number 3085443 (England & Wales)'.

KEY INFORMATION FOR SCHOOLS

summerreadingchallenge.org.uk

The Summer Reading Challenge is the UK's biggest **free** reading for pleasure programme for children.

The Challenge encourages children aged 4 to 11 to **keep reading during the summer holidays**.

At the heart of the Summer Reading Challenge is a child's ability to shape their reading journey. Help us to spread the word that reading for pleasure is free and fun!

Year 6 Bake Off!

The Year 6s celebrated completing their SATs in style by taking part in a Year 6 Bake Off on Friday morning. The cakes tasted delicious! Today, after the votes have been counted, we will see which group will get the 'Hepworth Handshake'!

Kwik Cricket

A big thank you from all of the children in Kwik Cricket club to Olive's dad. He has kindly donated some Kwik Cricket balls to the school. The children and staff are very grateful.

Kestrel Guards

You would've noticed the 'Kestrel Guards' signs put up around school this week. Amongst other things, they are providing an evening and overnight service to the school should the fire alarm or burglar alarm go off outside of normal school operation. In this event, please contact the number on the poster.

Online Safety

Today's online safety reminder for parents is everything you need to teach your children about Loneliness Online. Click on the following link for access to the information:

School Value Awards

During our weekly celebration assemblies, we find the time to talk about our school values. This half term, we are looking at creativity which is one of our school values. Each class teacher chooses a child from each year who has demonstrated the value over the previous week. The names who were awarded this week are below.

	w/b 9 th May
Rec	Seren
Year 1	Jowen I
Year 2	Will L
Year 3	Jago B
Year 4	Florence & Emily
Year 5	Louise & Sam
Year 6	Bonnie

Thursday Dinner Menu

This Thursday, on 18th May, there is a special dinner menu in aid of the Summer Census. Children will 'build a burger' with a choice of Beef, Chicken and Veggie. They will be accompanied with wedges and a scrumptious dessert. Remember, Reception, Year 1 & Year 2 are entitled to a free school dinner.

Queen's Jubilee Celebration

We will be hosting a jubilee celebration in school on Wednesday 25th May. Children can come to school wearing red, white and blue.

We will eat a picnic lunch and celebrate altogether. We would like to invite families into school at 2:45pm for a cake sale on the field. We will be raising money for the RSPCA.
